DR. GRAYSON SPENDS NIGHT WITH PRESIDENT IN HIS PRIVATE CAR

HOOVER GIVES BACK A TOTAL OF \$90,000,000

STRIKE AT BETHLEHEM IS ORDERED BY UNIONS

Associated Press
INDIANAPOLIS, Ind., Sept. 27.—Just before reaching here Dr. Grayson issued a signed bulletin stating: "The president's condition is about the same. He had a fairly restful night."

Dr. Grayson spent the night in the president's private car, the Mayflower, so as to be near the president. Mrs. Wilson, though her official duties are suspended, also was in constant attendance on the president. It is not known whether the president will leave Washington for the rest of the day. He will at least remain in the White house a few days. The president is described as in good spirits. The telegraphed members of his family there was no reason for alarm regarding his condition.

SAN FRANCISCO, Sept. 27.—Herbert Hoover "retires" from public office and will devote his future time toward making the \$5 and \$6 a day salaries of the Stanford university professors more commensurate with \$4 and \$5 wages of home building artisans. He also will consider various relief measures for Europe, or he states in a letter to a "San Francisco paper." Mr. Hoover is to return between eight and nine million dollars in foreign obligations to the year in normal liquidation of \$100,000,000 voted by congress for relief. He said he hoped this would be an adequate sum for most countries though the money was some foreign, but used it anyway.

Associated Press
PITTSBURGH, Sept. 27.—The national committee for organizing the iron and steel workers has ordered a general strike in the plants of the Bethlehem Steel company, effective Monday morning at 4 o'clock. Reports are that virtually in all parts of the Pittsburgh district steel companies are preparing to resume operations Monday on a larger scale than any day since the first week of the strike. Few chances are reported in the situation. W. B. Rabin, general counsel for strikers, arrived to take charge of the union's fight, free speech and free assembly. He renewed word that the strikers' office in Monaca, Pa., had refused the strikers' committee to reopen the office and tell the strikers that it would stay open as long as the "steel trust" kept its office open.

Associated Press
CHICAGO, Sept. 27.—More mills are open of the United States Steel corporation at Gary, Ind. Approximately 1,000 men are working at the Illinois Steel company mills at South Chicago. A federal injunction was issued against permitting the plant of the Polak Steel company at Chicago to operate.

Associated Press
ATLANTA, Sept. 27.—The official record of the strike in the Chicago district. The Bethlehem plants are among the best organized in the country. The workers' committee met to consider the reply to E. G. Grace, president of the Bethlehem to the union's demand for a conference. Grace said he would not grant the union a conference and would not abandon the present system of collective bargaining with the men which he adopted during the war.

EUREKA & PALISADE SOLD FOR \$1,000,000

The Eureka and Palisade railways sold Thursday to Eugene Davis of New York and Eureka at a price of approximately \$1,000,000. The railways were Mrs. Whitehead, but daughter of the late D. A. Whitehead, who owned the railways. Davis is the man who has been in charge of the railways since the death of his father. He has been in charge of the railways since the death of his father. SHIPPING STOCK FROM KAWICH

Over a thousand head of cattle will be shipped from Tonopah by the United Cattle and Packing company. The stock will be consigned to feeders around Stockton where it is reported feed is abundant. This is the first time in the history of southern Nevada that the range was so large that the cattlemen could not take chances of carrying their herds through the winter. Most of this beef comes from the Kawich section where the range usually is so good that the cattle touch the marketing stage without any special ration to fatten them to put on fat. The stock will be driven to the small stockyards back of Mount Goldie where the only shipping chute in the district is available for loading into cars.

BELGIAN HERO BEGINS MINING

Associated Press
SAN FRANCISCO, Sept. 27.—When Joe Wasmans, 29 years old, stepped here recently on route to Douglas, Ariz., where he will learn mining from the ground up, he was hailed as one of the men most distinguished for personal valor among all of Belgium's valiant fighting men. He was only a private when he was mustered out at Antwerp, August 15, but he held almost enough decorations for bravery to cover his entire chest. Among these are the Belgian military medal with six bars and five palms, indicating distinguished bravery in six great battles and multiple the cross on five separate occasions. The Kermans medal of the Battalion of Death, said to be the most military decoration in the year cross; three crosses of St. George, the Russian honor for responding to the British Victoria Cross; the Belgian Commemorative War Cross, with its volunteer crown and eight bars; and the Belgian Medal of Valor.

SIMON MAKES NEW CONTRACT

W. A. Simon, president of the Simon & Schuster Lead Mines company, has just returned from San Francisco where he closed a deal with the firm of H. C. Hershberg & White, of San Francisco, to acquire the rights to the Simon & Schuster Lead Mines. Simon states that he has secured from the firm full control of the mine and that they are in absolute control of all development and other work. Hershberg is the first member of the firm to visit the property, and has already laid out work to be prosecuted during the next thirty days. He was very highly pleased with the mine showing, particularly as to the position that some three miles and he made a visit to the mine and at that time recommended very highly to his people and secured to remain production as to the future.

GARMANY MUST OBEY THE ALLIES

Associated Press
PARIS, Sept. 27.—The supreme council has decided to send the German government through Marshal Foch, a note demanding evacuation of Lithuania by German troops under drastic penalty for non compliance. The note informs Germany that her provisioning will be stopped immediately and the financial arrangements requested will be held up if Lithuania is not evacuated. If all German troops are not recalled from the Baltic provinces in a short time the allies will cut off supplies from Germany reestablish the blockade and interrupt repatriation of German prisoners of war, according to the figures. Newspapers say that American experts suggested these measures.
